1985

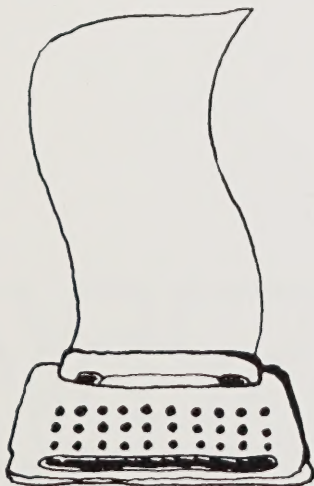

The theme for the 1984-1985 Briscoe Briefs is "Movies and Music". We selected this theme because Briscoe is like a huge adventurous movie full of exciting music. There were a lot of new and exciting movies this year, and all different kinds of songs. Different things the students do or say reminds many of some kind of song or movie.

The Briscoe Briefs staff worked very hard to hopefully bring you a memorable yearbook. Various movies and songs that were popular in 1984-1985 we hope will come to mind as you thumb through this yearbook.

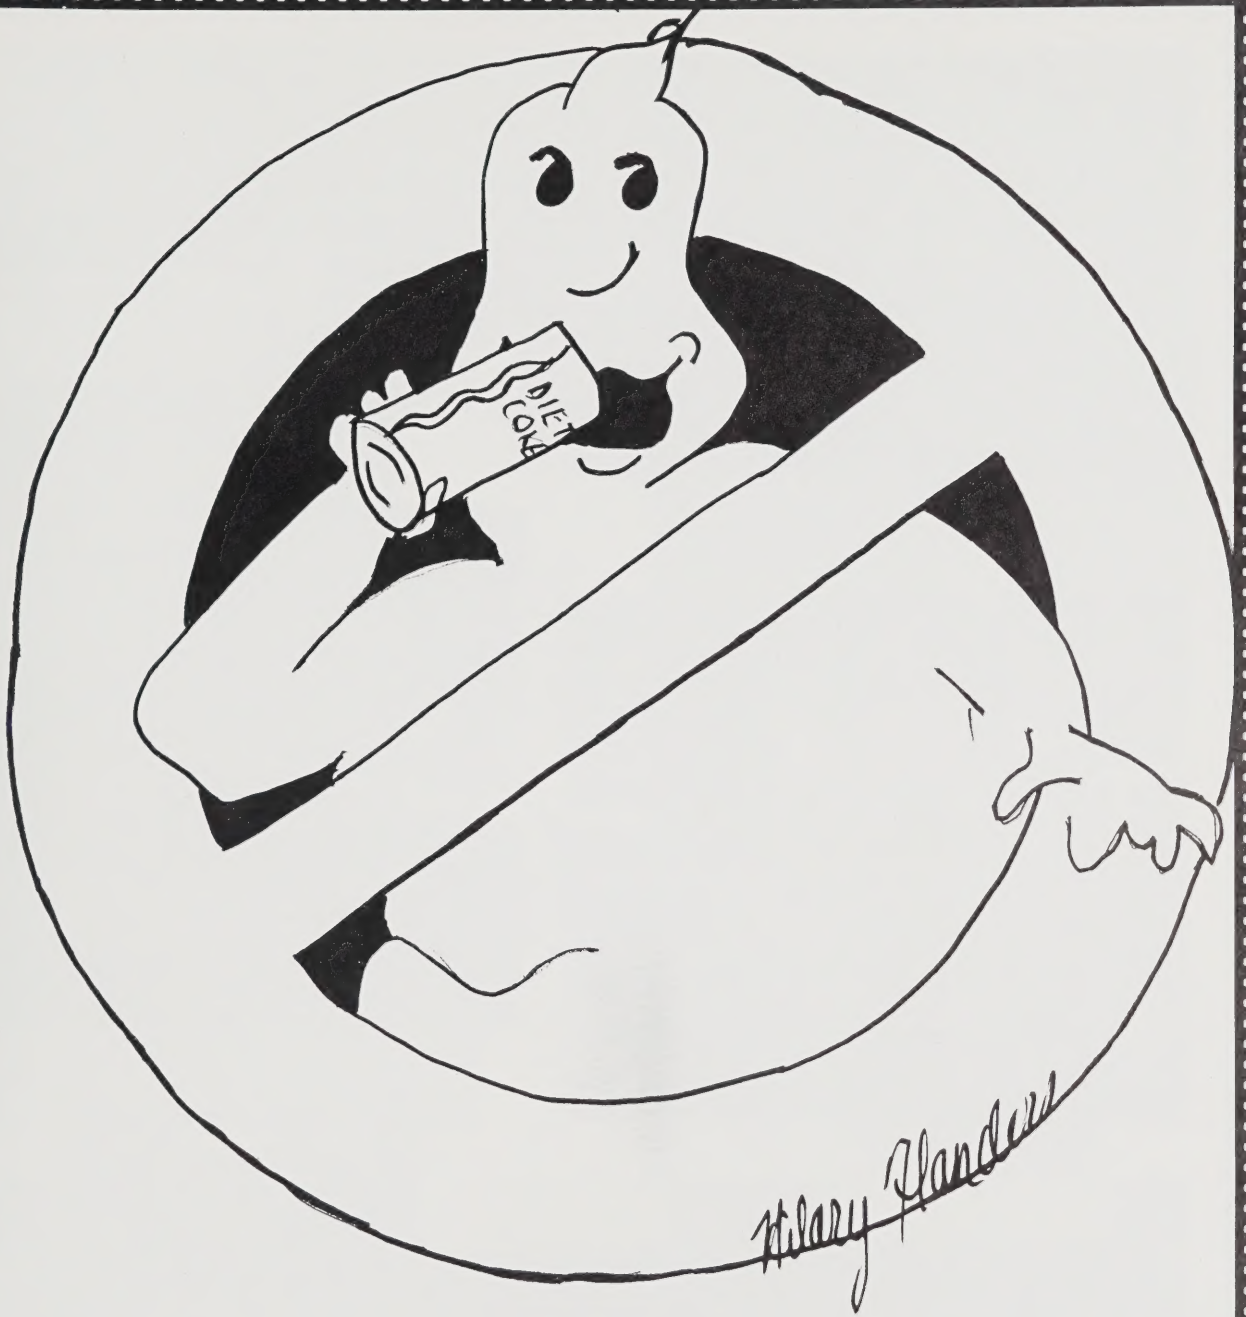

We would like to thank everyone who had anything to do with putting the yearbook together. We especially want to thank Mrs. Gauthier and Mrs. Hourican for supervising the yearbook and the yearbook staff.
